30 December 1964

Mr. Elder,

A copy of the attached paper was forwarded to the Director on 18 December. However, as you will recall, the Director requested some additional charts. These are now appended to paragraph 7 along with explanatory notes. Otherwise the paper is unchanged.

May I suggest that you substitute this complete copy for the one you have.

I will await your advice on the Director's reaction to my proposal that I now be permitted to make this available to the Board or at least to the community through COMOR. It may be that the Director would wish to have this distributed and discussed at the Board on Wednesday, 6 January, along with the evaluation of [redacted] which General Carroll has asked [redacted] to place on the agenda for brief discussion. In the latter connection, you asked me to find out what it was that General Carroll wished to discuss. I am advised by [redacted] that General Carroll simply feels the paper is of considerable importance and is worth brief discussion by the Board before it is laid aside.
